What is the cost for a foreign student to attend our school division per year?

The fee is \$9,600.00 for new international student admissions.

Can a child attend our school system if they live outside the boundaries of Saskatoon?

Yes, but they must first receive approval from their sending school division. They may attend only after approval has been given.

If a student from outside the boundaries of Saskatoon is Catholic, can they attend our school system and have their tuition fee waived?

Yes! The Non Resident Tuition Agreement must be followed and application must be made to the proper school division for approval to attend Saskatoon Catholic Schools.

If a person walks in to our Board Office and doesn't live in the boundaries of Saskatoon and doesn't fall under any of the criteria set in the Non Resident Tuition Agreement, what happens?

Even though there will be a full tuition fee levied by our division, they must enter our division through their sending school division. The sending school division is the one who will be billed.
