Foundation Board Chair's Message

In this Centennial school year, we celebrate the past 100 years of Catholic Education in Saskatoon. As well, this year also marks the beginning of the next century of Catholic education within the Greater Saskatoon Catholic School Division ... doesn't it?

It is important for us to reflect that although it is a constitutionally protected right, it is also a privilege for us to be able to provide a Catholic education for our children.

For me and for most of you reading this newsletter there is no doubt as to the value our faith adds to the development of our children as whole persons, in the example of Jesus, during their elementary and high school education.

I recently read an editorial entitled "Blink, Blink, Gone". Although the article was referring to religious liberty, it occurs to me that it is very important that we do not ever become complacent with respect to the privilege we enjoy in the province.

Notwithstanding the public funding that our schools receive, Catholic schools and indeed the Greater Saskatoon Catholic School Foundation only exist because of the

generous contribution of time, talent and treasure of many hundreds of people within the Greater Saskatoon community who continue to believe that Catholic education develops children who can and will reach out to transform the world in the image of the kingdom of God.

These generous contributions reflect the hope and continue the legacy begun 100 years ago.

In this Centennial year I thank all of our supporters for being the hope and the legacy for those who serve in 2012.

On behalf of the Board I do thank Robin Mitchell and Janice Nepjuk for their commitment to the work of the Foundation.

I thank as well the members of the Board who so generously volunteer their time on your behalf to contribute to the success of the Foundation.

May all in our community be blessed in this New Year with peace and loving relationships. ■

Bev Hanson, Director of Education

Our Centennial Year

This year our Greater Saskatoon Catholic Schools community is celebrating a century of faith and learning. We are privileged to mark this wonderful milestone: for 100 years our division has been blessed with the gift of Catholic education. We recognize and are grateful to all the men and women who came before us, both religious and lay people who had a dream to build a Catholic school division in Saskatoon in 1911. As the 11th century monk, John of Salisbury said, "We are like dwarfs sitting on the shoulders of giants. We see more and things that are more distant than they did, not because our sight is superior or because we are taller than they, but because they raise us up, and by their great stature add to ours."

This year-long celebration is not an end but really only a beginning. We need to protect and preserve the gift of Catholic education in order to see it grow and prosper for the next 100 years. The Greater Saskatoon Catholic Schools Foundation assists us in this mission. So this school year, together and with gratitude, we honour the past, live in the present and

prepare for the future.

So, how have we celebrated thus far? Let me highlight some of the activities and events of this year-long occasion.

The school year began with an Opening Day Celebration, highlighting our theme of "Celebrating a Century of Faith and Learning", with guest speakers Fr. Leo English and Greg Malin, a graduate of our school division. The Eucharistic Liturgy was concelebrated by Bishop Bryan Bayda and Fr. Ron Beechinor. Time capsules were distributed to all schools to be filled with memorabilia of our Centennial year. On September 9 students and staff at each school participated in a common liturgy and planted a Centennial tree. At the Centennial Leadership Banquet on Thanksgiving weekend we said thank you to all former and present leaders for their contributions to Catholic education. Bishop Murray Chatlain spoke to 1,700 grade 7 and 8 students, as well as students in two high schools, about appreciating Catholic schools as communities of prayer, forgiveness and caring. A Centennial staff Christmas party was attended by more than 900 people. We continue to prepare a performing arts evening and a showcase of staff art work. In addition a committee has begun work on a Centennial history book, which we intend to complete and circulate by June. Please mark the date, Sunday, June 24, when we will complete the school year with a Mass in the new Holy Family Cathedral followed by a 1911-style Picnic

in the Park. This event is intended for the entire Catholic community and all are invited to attend.

The Foundation has been a partner in planning for this Centennial year and I want to acknowledge Robin Mitchell, the Foundation's executive director, for chairing the Centennial committee.

While we reflect on our history during this Centennial year we also look to the future. We continue to strive to impart the basic values and truths of our Catholic faith to our young people in an increasingly secular, globalized and pluralistic world.

We still want our children to come to know Jesus Christ, the Messiah, the son of the living God and Savior of all. We still purport that it is a culture of life that best supports our youth in learning more about themselves, the world and their place in society. We still teach our students about God who is full of enduring love and who pours out His unending mercy on us. We still believe in the Trinity and the Eucharist and the power of prayer. We still see each staff person as gifted and each student as beloved. Firmly believing in God's love for us we attempt to model that love and the love experienced within the human family in our schools. "We love because He first loved us".

This work cannot be accomplished by the school division alone. It is through the support of parents and guardians, the Catholic Church community and the Foundation that we are able to continue to proclaim the Good News of Jesus Christ. As we prepare for the next 100 years of Catholic Education we give thanks! ■

It was so windy...

Emcee Vic Dubois of Saskatoon Media Group.

The 16th Annual 'Share the Spirit' Golf Classic was held on Tuesday, August 16 at the Willows. The wind tested the

skills of each golfer by offering a challenge on each hole on the course. Our celebrity golfer this year was

Bob Korol – CEO of TCU Place. Bob took on golfers at the “Beat the Celebrity” par three competition, raising funds for student leadership.

The Foundation is deeply grateful for the support of all who participated, from emcee Vic Dubois to our loyal sponsors and donors, and our dedicated volunteers. Many of our volunteers have helped out at the tournament for each of the 16 years the tournament has taken place. The generosity of all helps ensure the support necessary for leadership programs, academic

excellence, and faith development within Greater Saskatoon Catholic Schools. Make sure to mark your calendar for the 2012 'Share the Spirit' Golf Classic Tuesday, August 21, 2012 at the Willows. ■

Planned Giving

Planned Giving is an outright or deferred gift by a donor to a charity providing significant tax and other financial benefits for the donor while providing the charity with a substantial gift of money or assets. Planned gifts usually come from a donor's assets or capital and not from income, making the gift likely larger in amount than what one is used to giving. Many planned gifts are bequests that only are realized upon the death of a donor and the distribution of assets. Because of the complex world of wills and estates, it is important that someone who is

planning to leave a legacy to a charity like the Foundation sit down with a representative of the Foundation and their own financial planner to discuss details in advance. Planned giving is a tremendous opportunity for an individual or family to acknowledge the impact that a charity has provided for them. The legacy we leave this world should commemorate all that we have lived for. A planned gift allows those that remain after we are gone to continue the work we began.

Planned gifts left to the Greater Saskatoon Catholic Schools Foundation Inc. provide the

opportunity to help meet the future needs of the division while expanding the amount of support the Foundation provides. Planned gifts include not only bequests by will, but new or existing life insurance policies that name Greater Saskatoon Catholic Schools Foundation Inc. as irrevocable beneficiary, a charitable annuity trust or gifts of property. There are many types of assets that can be donated to the Foundation to receive a tax benefit, so if you are interested in learning more about this, please contact the Foundation office at 659-7003. ■

Schools Win Twice Raffle

Congratulations to all who helped to organize and sell 'Schools Win Twice' raffle tickets this year. Another very successful raffle campaign wrapped up November 17, 2011. Over \$143,000.00 was raised for student programs in the Greater Saskatoon Catholic Schools. Thank you to the staff and students at St. Anne School for hosting this year's luncheon and draw.

Each participating school group receives 55% of the funds raised by their school community. Schools can then apply for a grant of up to \$1000 from the remaining funds for school-based projects that meet the Foundation guidelines. Schools do win twice!

The campaign is a very large undertaking and could not be as

successful without the help of the many CSCC volunteers and school staff who give their time and energy.

Prizes and printing were partially donated and/or supplied by Best Buy, Bruce's Cycle, Cineplex, Farm & Garden Centre, Krazy Kiley's, Marlin Travel, Neural Net, Pizza Hut, Saskatoon Fastprint Ltd. and WBM Office Systems. ■

Grant Review

Each November, the Board of Directors of Greater Saskatoon Catholic Schools Foundation meet to review applications requesting the Foundation's financial support for projects at the school and division level supporting student learning and spiritual development. This year, we received a record 50 requests in addition to eleven applications from Rosary Clubs. The vast majority of applications were for activities promoting the faith development of our young people. The requests ranged from covering busing costs to provide students the opportunity to attend liturgies in local churches to honorariums for retreat teams; providing supplies to allow students in various grades to experience the spiritually enriching activity of rosary clubs, to creating visual reminders of the core virtues of our Catholic faith through the creation of murals, stained glass projects and other art works. Because of these grants, students will be able to learn more about the Byzantine Rite theology through activities, workshops and tours. Some schools use the grant money awarded to travel to various places of worship throughout the city to learn about the rich diversity of faiths in Saskatoon.

Funding for student retreats, many with "Celebrating 100 years

of Catholic Education" as their themes, will give students the opportunity to learn more about their own personal faith journey alongside the Centennial journey the division is celebrating in 2011. High schools use grant money to provide grade 12 students the opportunity to reflect on their experience in Catholic schools and what is in store for them. Schools that provide retreats for grade 9 to 11 students build the students' spiritual experience and deepen their understanding of the faith. We are happy to report that all applications received funding and the total amount of funds distributed to schools and the division through the granting process totaled \$64,182.

The Foundation is able to meet the requests primarily because of the tremendous work of our school communities and the 'Schools Win Twice' Raffle held each fall. This year's raffle raised over \$143,000 and the Foundation returned \$78,000 to

the schools and Community Councils as their share of the proceeds. The remaining 45% of the proceeds are used by the Foundation to cover raffle expenses and fund the grant requests. Since 1993, Greater Saskatoon Catholic Schools has received over \$3,800,000.00 from the Foundation through raffle proceeds, grants, donor directed donations, flow through grants and in-kind gifts to schools. The Foundation is sincerely appreciative of the generosity of its donors and supporters, both from within and outside of the school division. It is because of the financial support of our community that the Foundation can continue to provide support for initiatives leading to spiritual growth, educational excellence and enhanced learning opportunities for the community represented in Greater Saskatoon Catholic Schools. It is an honour to be a part of Making Education with a Difference. ■

The Foundation's school year calendar highlights all the important school-related activities and dates. This calendar is made available to every family associated with the school division at no cost to the family. There are still copies available at the Foundation office. If you have not received one please contact the office at 659-7003.

You make a living by what you get. You make a life by what you give. – WINSTON CHURCHILL
