

2011 Professional Development Day Registration Form

The Caring for our Watersheds program encourages environmental stewardship by students. It asks students to think about their watershed and how they can protect this most essential asset. Partners FOR the Saskatchewan River Basin would like to encourage interested teachers to come to a half day workshop to learn more about the program, your watershed, and how to engage your students.

Grade 7 to 12 Teachers
Friday, October 14th, 1:00 to 4:15 pm
Meewasin Valley Authority boardroom, Saskatoon, SK.

If you are interested in attending the workshop, please fill out the following registration form and return it to the address below by **October 7th, 2011**. A draft agenda is located on the back of this form.
