

**Changing program and facility needs at
E.D. Feehan Catholic High School to be examined**

Wednesday, March 2, 2005

Program and facility needs for students attending E.D. Feehan Catholic High School are being examined as the division also plans for the new westside Bethlehem Catholic High School.

New and innovative ideas are being explored with community, business sector and educational representatives at consultations on **Thursday, March 3 at Prairieland Exhibition Park Trade Centre, Terrace Room from 8:30 a.m. to 3 p.m.**

This Future Search Conference is a full-day consultation that will examine the past, assess the present and plan for the future of E.D. Feehan Catholic High School. More than 75 participants are expected to provide input on the changing needs of this westside Catholic high school.
